Sit + Sleep + Dream

SLEEK, BEAUTIFUL AND COMFORTABLE...

...the Sofa Sleeper San Miguel will make the most of any room in your home by not taking up much space. Designed with a compact footprint, it's comfortable enough to enjoy relaxing on movie night, or just lift and flip for an afternoon siesta or to accommodate those frequent SMA guests. Simply remove the back cushions, you can use them later to prop up behind your pillows, then lift and flip the upper portion and voilá, a bed. It's just that easy.
